
Expired and Suspended Registrants Demonstrating Participation in the Continuing Education and Competency Program

Approved by: CMTPEI Council

Date: March 02, 2022

Relevant Legislation and Regulation: RHPA Section 60 (1) and (2)

Policy

- 3.1 While registrants who have expired status are not eligible for a review of self-assessment and continuing competency activities, they are still expected to be engaged in both these areas if they plan to return to practice as a Massage Therapist. They are also expected to maintain current participation records for purposes should they, in future, return to practice.
- 3.2 Registrants who have suspended status are eligible for a review of self-assessment and continuing education and competency activities.
- 3.3 A Registrant who has been reinstated such as would occur following a lapse in renewing a general registration must demonstrate that their self-assessment and learning plan obligations are current as a requirement of reinstatement.
- 3.4 A Registrant who has been reinstated after a suspension is required to demonstrate to the Registrar that their self-assessment and learning plan obligations are up to date as a requirement of reinstatement.
